

Use of Bampton Recreation Ground

The Trustees have now made provision for limited parking at the Recreation Ground for people who are unable to walk or cycle there.

However, we would remind you that:

- The ground is intended for exercise and sport and also includes a public footpath which gives access to the Millennium Wood (which is owned by the Woodland Trust)
- As long as you maintain *strict social distancing* up to 6 people from different households can meet outside *BUT* you should try to avoid seeing people from too many households in quick succession.
- **As has always been the case dogs should not be allowed anywhere on the pitches.**
- During the coronavirus outbreak Government advice is *When walking your dog in areas used by other people, you should consider putting your dog on a lead to ensure you can stay 2 metres away from others.*
- No fires and no BBQs please but at this time you can picnic if you follow the relevant Government advice.
- Take all your rubbish home.
- Please note that there are no toilets or washing facilities at the Recreation Ground.
- For details of sports please contact the relevant Club.

The Bampton Recreation Ground Trust bases their decisions on local needs and current Government advice and will change provisions as the advice develops.

Please respect our staff
